

Declaration by a candidate practicing a regulated trade in Québec

I, the undersigned, _____ a _____ by occupation or
Name of the candidate Trade

training, hereby declare that:

- I have taken note of the requirements for obtaining the certificate of competency or qualification that will authorize me to practice my trade in Québec, and in this regard, have taken note of the information related to the practice of my trade in Québec, which can be downloaded from the following websites:
 - for trades governed by the construction industry:
www.immigration-quebec.gouv.qc.ca/en/employment/regulated-professions/trades-construction.html
 - for trades not governed by the construction industry:
www.immigration-quebec.gouv.qc.ca/en/employment/regulated-professions/trades-outside-construction.html
- I have been informed of the difficulties that I may encounter in meeting the requirements for obtaining the certificate of competency or qualification that will authorize me to practice my trade in Québec.

I understand that:

- obtaining a Québec Selection Certificate (CSQ) in no way guarantees that I will be authorized to practice my trade in Québec;
- the diploma earned in my own country or in another country or the certificate of competency or qualification that authorizes me to practice my trade in my own country or in another country or in another Canadian province or territory does not automatically give me the right to practice my trade in Québec;
- in order to practice my trade in Québec, I must obtain a certificate of competency or qualification from the organization that governs the practice of my trade in Québec;
- in order to obtain this certificate of competency or qualification, I must submit to the requirements established by this organization, and that I may not meet these requirements or may only partially meet them;
- I may have difficulty obtaining access to complementary training in order to meet the standards established by this organization in order to eventually obtain the right to practice my trade in Québec;
- as soon as possible, I must contact the organization governing the practice of my trade in Québec if I intend to practice my trade in Québec.
