

I, the undersigned, _____, trained as a professional teacher, declare that I have been informed that:

- obtaining a Certificat de sélection du Québec does not guarantee that I will obtain a teaching licence in Québec;
- a degree from a faculty of education in my own country or another country, or a licence to teach from my own country or another country, or from another Canadian province or territory, does not automatically give me the authorization to teach in Québec;
- in order to teach in a preschool, primary school, or secondary school, I must obtain a teaching licence from the Ministère de l'Éducation, du Loisir et du Sport du Québec (MELS), which requires that I:
 1. meet the educational requirements by having my diplomas recognized as equivalent by the MELS;
 2. successfully pass a test to evaluate my knowledge of French or English, unless I can prove that I was educated in French or English;
 3. satisfy the other conditions specified by the MELS.

I understand that I may have to take additional teacher education courses in order to meet the requirements of the MELS and that teaching experience is no substitute for the academic requirements called for in MELS's regulations.

In order to obtain a teaching licence, I must meet the requirements described in the information provided to all applicants by the MELS. This information and the application form for permission to teach in Québec can be obtained at the address below:
